Sun Ag, Inc.

GEOCON Professional Services, LLC (GEOCON) was retained by Sun Ag, Inc. to prepare a Spill Prevention Control and Countermeasure (SPCC) Plan for an existing petroleum bulk plant at the Sun Ag, Inc. facility in El Paso, Woodford County, Illinois. GEOCON prepared the SPCC Plan in accordance with the United States Environmental Protection Agency (USEPA) oil pollution prevention regulations, Title 40 Code of Federal Regulations Part 112 (40 CFR 112), in order to prevent oil spills from occurring, and to perform safe, efficient and timely response in the event of a spill or leak at the facility.

The SPCC Plan was prepared upon completion of upgrades to the existing bulk plant and secondary containment structures by Sun Ag, Inc.
